Examiner Yenke:

Thank you for contacting me regarding the returned Office Action, dated 10/17/05 - your help in faxing a copy is greatly appreciated. I am looking into why Canada Post returned this USPTO mailing - the address of record is correct.

In follow-up to our recent conversation of Friday, February 17th I am inquiring as to whether the Office Action can be resent. Although I now have a copy of the Office Action, significant time has passed since the mailing date and I require further time to consider a response to this final rejection.

Any help with this request would be greatly appreciated. If you are able to resend the Office Action and require a different mailing address please resend to:

Once again, thank you for your help and consideration.

Sincerely,

Michael Pocock
